NATIONAL PRESIDENT MESSAGE

Greetings Dillard/Goldsboro Alumni & Friends

Homecoming 2023 was a huge success despite the rain. I want to commend the two homecoming Queen contestants Dr. Sadie Carter (Triangle Chapter) and Takiyah Mozingo (Goldsboro Chapter) for their tremendous fund-raising efforts. Congratulations to Dr. Carter, the winner raising over 28 thousand dollars. I am looking forward to the 2024 homecoming King/Queen contest.

With every homecoming we learn and adjust to make your next years' experience better. Thank you to the individuals who volunteered their time to assist with each event. We cannot do the things we do without you. We are already planning for an exciting 2024 homecoming, so be on the lookout for announcements from that committee.

It is getting time to renew your membership. I believe each chapter will have significant growth and more individuals will become active members in the chapters and in the national efforts. As I enter my 6th and final year as President of this great organization, I want to make sure my successor has all the necessary things in place to exceed the things accomplished during my tenure. Thank you again to all the people that work tirelessly to make this organization operate. Keep your eyes open for new things on the horizon and as I always say (Together We Can).

Gary Packer, National President

Alumni and Friends who plan to join the organization are asked to join at the beginning of the fiscal year in order to take full advantage of the membership benefits and to actively support the mission and vision of our beloved founder, Dr. Hugh Victor Brown. All National Members, should be affiliated with a local chapter. The chapter does not have to be in your immediate area in order to connect. If you are not affiliated with a local chapter our committee can help to make the connection. We want all of our National Members to stay connected, be engaged, and involved in our organization.

This fiscal year the organization will officially be transitioning from the paper ticket to a Membership Card. The card will be the texture and size of a credit card. Members who have already received their ticket will receive their membership card from your chapter president. Alumni and Friends who join on or after December 1st will receive both the ticket and membership card. The goal for the 2023-2024 fiscal year will be to officially phase out the paper ticket.
