PRESIDENT'S MESSAGE

Jamarius Coley, a 1997 graduate of Goldsboro High School, serves as the National President of Dillard/Goldsboro Alumni & Friends, Inc. Since his inauguration on September 1, 2024, Jamarius has been steadfast in his commitment to fostering an environment of positive change within the organization. In his Inaugural speech, he profoundly stated, "This community NEEDS Dillard/Goldsboro Alumni & Friends," and he has since dedicated his time and efforts to increasing the visibility and reach of the organization among neighbors and partners in Wayne County.

Jamarius is the son of Danny Bunn '79 and Regina Coley '80. He currently works as a Special Projects Manager at Siemens Medical and resides in King of Prussia, PA.

Greetings DGAF, Inc. Alumni Family,

70 Years Strong, Forever Enduring.... a powerful statement that perfectly describes our historic organization. Through many ups and downs, DGAF, Inc. still stands tall. Looking forward to next month's Homecoming, let us remember those on whose shoulders we've stood on to reach this milestone, and prepare ourselves for the work that needs to be done to reach the next one.

As we navigate through some necessary changes, I charge you all to remember that "progress lies not in enhancing what is, but in advancing toward what will be". We will come together to celebrate this "Platinum Legacy of Excellence" in the spirit of unity and pride, to honor our past with eyes yet focused on our bright future. I am looking forward to an incredible weekend of fun and fellowship. Your Homecoming Committee and Board of Directors have been working tirelessly to put together a weekend we won't soon forget.

Thank you to every single person who has poured time, energy and funds into our alumni association. The members of Dillard/Goldsboro Alumni & Friends are truly a remarkable group, and I am proud to lead you all as we embark upon this next chapter.

Sincerely,

Jamarius D. Coley '97

ANNOUNCEMENT

Scholarship & Awards Night Program

The focus of the Scholarship & Awards Night Program is to recognize high school seniors. In an effort to maintain this focus and progress through our program efficiently we are making a small change to our Roll Call segment of the program. Alumni & Friends who participate in Roll Call are required to be processed by the Finance Team prior to making an announcement. Processing involves reporting your announcement, submitting funds (if applicable), receiving a receipt (if applicable), and receiving a Roll Call Ticket. A Roll Call Ticket is required to enter the stage. The ticket confirms that you have been processed by the Finance Team. Alumni & Friends are **HIGHLY ENCOURAGED** to participate in our Scholarship Donor Program. The Donor Program supports our primary goals and aids in executing a focused and efficient Scholarship & Awards Night Program. The finance team will be available at 6pm in the auditorium on the right side of the stage before the program begins. To support readiness for the Roll Call segment of the program the form is available online now and will also be available at the program. If there are questions please email or call dgafscholarship@gmail.com 980-285-3561. The National Scholarship Committee welcomes the opportunity to meet with alumni, friends, and/or classes to support your understanding of the giving processes.

BECOME A DONOR

2024 DGAF, INC. SCHOLARSHIP PROGRAM

Scholarship Donor

A Scholarship Donor makes a one time or annual commitment to give to the Scholarship Program. Donors have the honor of naming their award and creating a profile for a potential recipient(s). Scholarship Donors also have the privilege of awarding their scholarship during scholarship night and having their award listed in the program. The Donor Program is open at the start of our fiscal year September and ends April 30th. Contributions are due no later than May 7th. This allows the committee time to prepare for the awards program.

Roll Call

Donors who participate in our Roll Call Program have until awards night to make the decision to give. During Roll Call individuals come onto the stage and announce what they are contributing specifically to the Scholarship Program. Roll Call participants may also announce if they are awarding the scholarship to a specific student(s). Alumni & Friends who make the decision to give should determine early whether they will be a Donor or participate in our Roll Call.

Additional Information

To avoid any confusion please only choose to give in one way (Donor or Roll Call). Awarding scholarships to deserving students is our goal. We do not want our Alumni & Friends to miss the opportunity to give in the way they choose. For additional information do not hesitate to contact Patricia Burden, Chairperson, local chapter representative, or email dgafscholarship@gmail.com.

Dillard Goldsboro Alumni & Friends, Inc. D.C. Chapter Hosts Stylish Spring Dance to Support Scholarships

Goldsboro, N.C. — March 22, 2025

The D.C. Chapter of Dillard Goldsboro Alumni & Friends, Inc. brought together elegance and fun at their annual Spring Dance, held at the H.V. Brown Building in Goldsboro, North Carolina. This year's event, themed "Fedora and Pearls," was a vibrant celebration with a meaningful mission: raising scholarship funds for graduating high school seniors.

Supporters and alumni turned out in style, blending stylish fedora with classic pearl accents to match the evening's theme. The festive atmosphere was filled with music, food, dancing, laughter, and camaraderie, all in the name of giving back to the next generation of scholars.

The annual Spring Dance continues to be a highlight on the organization's calendar, drawing attendees from both near and far who share a common goal—supporting education and honoring the legacy of Dillard and Goldsboro High Schools. Proceeds from the evening will go directly toward scholarships to assist deserving students in furthering their academic goals.

As the night concluded, guests left with smiles and memories, knowing they had contributed to a cause that empowers young minds and keeps the spirit of Dillard Goldsboro Alumni & Friends, Inc. alive.

A good time was had by all—and the impact will be felt for years to come.
